

Safety Data Sheet

H&O International Pty Ltd

1501 Meishan Street, Maanshan 243000, China

Tel/Fax: +86 555 2108705

Date: 01/2020

1. Chemical product and company identification:

Product Information: SHOUT Stain & Odor Remover for Pet/Carpet

Manufacturer: H&O International Pty Ltd
Address: 1501 Meishan Street, Maanshan 243000, China
Zip code: 243000
Fax number: 86 555 2108705
Emergency Information: During business hours: 86 555 2108733

Supplier Details: Brand Buzz, LLC
Address: 1407 Broadway Suite 601 New York, NY 10018
Phone #: 1-888-508-4750
Email: info@brandbuzzcp.com

Emergency Contact: For Medical Emergencies, call the American Association of Poison Control Centers: 1-800-222-1222

2. Hazards Identification:

Not hazardous according to the OSHA HazCom 2012 Standard.

3. Composition/Information on Ingredients:

Compound			
Chemical name:	Cleaning product		
Composition	% weight	CAS No.	Function
Water	up to 100%	7732-18-5	carrier
Sodium Fatty Alcohol Ether Sulfate	1.50%	9004-82-4	cleaning agent, actives
Sodium bicarbonate	0.20%	144-55-8	PH adjuster
Sodium xylenesulfonate	0.10%	1300-72-7	solutizer
Dipropylene glycol	0.08%	25265-71-8	fragrance
Methylchloroisothiazolinone	0.0015%	26172-55-4	preservative
Methylisothiazolineone	0.0015%	2682-20-4	preservative

There is no hazardous ingredients.

4. First Aid:

Skin contact: N/A
Eye contact: Flush with excess amount of water for 15 min in the open eye lid. Consult a physician.
Inhalation: N/A
Ingestion: Consult a physician if human use it.

5. Fire Fighting Measures:

Extinguishing media: powder fire extinguisher, carbon dioxide fire extinguisher, foam extinguisher. Water Spr
Special protective equipment: wear air breathing apparatus, glove and fire-protection suit

6. Accidental release measures:

Personal precautions: evacuate immediately.
Environmental protection measures: covered by sand or other unflammable material or washed away by water.

Action to take for spills/leaks: buring

7. Handling and storage:

Handling:

- Operator should be trained, wearing protective glasses, keep away from fire and heat. No smoking A50
- Ventilation is necessary. Keep away from oxidant.
- Flame and explosive proof is needed when tank storage. Barrel should be checked to ensure it is not leaking.
- Pack and load carefully
- Keep out of reach of children and pets.

Storage:

- Store in a cool and ventilated warehouse under the temperature of 30 degree

8. Exposure controls/Personal protection:

- Testing measures: gas phase chromatography
- Project controls: ventilation, shower and the eye-wash equipment is necessary
- Respiratory protection: filter marsk is needed if its strength in the air over the standard
- Eye protection: protective glasses if necessary
- Body protection: N/A
- Hand protection: N/A
- other protection: N/A

9. Physical and chemical properties:

Name: Household cleaning product
Boiling point (°C): >100
PH(25°C): 7-8
Solubility in water: 100%
Viscosity /
Odor: Slight
Toxic: None
Function: Cleaning product for pe

10. Stability and reactivity

Stability: stable
Substances to be avoided: oxidant
Conditions to be avoided: flame and heat
Hazardous polymerization: none
Decomposition products: CO2

11. Toxicological information

Toxic:	none
Irritation:	slight
Mutant:	none
Carcinogenic:	none

12. Ecological information:

May bring hazards to the environment, especially in water.

Can be degraded in the air immediately. Easy ecological degradation substance according to OECD

13. Disposal consideration:

Dissolved or mix material with a suitable combustible solvent and incinerate in a chemical incinerate equipped with an afterbur and scrubber

Disposed as waste according to the local request

14. Transport information:

The product is not listed as a dangerous product according to transport regulations. (RID/ADR IMDG/CAO)

15. Regulatory information:

Not available

16. Additional information

Some of the information presented and conclusions drawn herein are from sources other than direct test data on the product it

The contents and format of this MSDS are in accordance with EEC Commission Directive 91/155/EEC.

DISCLAIMER OF LIABILITY
